

Lucid Rolls Out Hands-Free Driving Assist and New Software Features for Lucid Gravity in North America

June 8, 2026

NEWARK, Calif., June 8, 2026 /PRNewswire/ -- Lucid Group, Inc. (NASDAQ: LCID), maker of the world's most advanced software-defined vehicles and technologies, today announced it has begun the rollout of its latest over-the-air software update for the Lucid Gravity SUV. The update introduces hands-free driving capabilities along with enhancements to navigation, charging experience, and everyday usability.

Hands-Free Driving Comes to Lucid Gravity Vehicles with DreamDrive™ 2 Pro

Hands-free drive assist makes highway driving more comfortable while keeping drivers attentive to the road. Hands-Free Drive Assist supports steering, acceleration, and braking on compatible highways in North America. When the driver signals, Hands-Free Lane Change can guide the vehicle into an adjacent lane when it is safe to do so. Automatic Lane Change can also initiate passing maneuvers to overtake slower traffic.

Smarter Navigation with Google Maps™ Places Integration

Lucid Navigation now integrates Google Maps™ Places API to provide richer, more contextual search results. Drivers can view improved business details, ratings, photos, and parking information, along with enhanced charging station listings that include more accurate real-time availability and recent imagery.

Adaptive Driving Beam Headlights for More-Confident Night Driving

Adaptive Driving Beam, available on DreamDrive™ Premium and DreamDrive™ 2 Pro, improves nighttime visibility by maintaining high beams while dynamically adjusting around other vehicles to reduce glare.

New Insights About Charging and Energy Efficiency

New features such as Advanced Preconditioning View and Predictive Charging Power provide greater transparency into battery temperature and expected peak charging performance before plugging in.

Note: This announcement is applicable to Lucid Gravity vehicles in North America. Future availability of these features in markets outside of North America may vary and will be communicated at a later date.

More details on this update can be found here: <https://lucidmotors.com/stories/lucid-gravity-ux-3-6>

Disclaimer: Hands-Free Drive Assist and Hands-Free Lane Change Assist are not a replacement for safe, attentive driving or a driver's judgment. Drivers should remain focused on the road and their surroundings at all times. Do not use with a hand-held device. Only use on compatible roads as indicated via an in-vehicle alert. Visibility, weather and road conditions may affect feature performance. More details and limitations will be available in your Owner's Manual. DreamDrive™ 2 Pro is an optional feature.

About Lucid Group

Lucid Group, Inc. (NASDAQ: LCID) is a technology company creating exceptional mobility experiences through innovation to drive the world forward. Built on Lucid's proprietary technology and software defined vehicle architectures, the company's lineup of award-winning vehicles brings Lucid's "Compromise Nothing™" approach to premium segments of the global automotive market. Lucid designs and engineers its products in-house and assembles at its vertically integrated facilities in Arizona and Saudi Arabia, enabling continuous innovation across vehicles, software, and advanced driver assistance and autonomy-ready capabilities.

Forward-Looking Statements

This communication includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "estimate," "plan," "project," "forecast," "intend," "will," "shall," "expect," "anticipate," "believe," "seek," "target," "continue," "could," "may," "might," "possible," "potential," "predict" or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements

include, but are not limited to, features, performance specifications and starting price of each of 2027 Lucid Gravity models, the features and the starting price of the packages, and Lucid's strategy. These statements are based on various assumptions, whether or not identified in this communication, and on the current expectations of Lucid's management. These forward-looking statements are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and may differ from these forward-looking statements. Many actual events and circumstances are beyond the control of Lucid. These forward-looking statements are subject to a number of risks and uncertainties, including those factors discussed under the cautionary language and the Risk Factors in our Annual Report on Form 10-K for the year ended December 31, 2025, subsequent Current Reports on Form 8-K, and other documents Lucid has filed or will file with the Securities and Exchange Commission. If any of these risks materialize or Lucid's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that Lucid currently does not know or that Lucid currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Lucid's expectations, plans or forecasts of future events and views as of the date of this communication. Lucid anticipates that subsequent events and developments will cause Lucid's assessments to change. However, while Lucid may elect to update these forward-looking statements at some point in the future, Lucid specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing Lucid's assessments as of any date subsequent to the date of this communication. Accordingly, undue reliance should not be placed upon the forward-looking statements.
